Sample label sheet

Reference for the Label Check two-scan demonstration.

LABEL CHECK

01

SAMPLE LABEL

ITEM

Sample 01

LABEL CODE

`DEMO-LABEL-01`

Type / Demo fixture

How the demo checks the label

1. **Open the sample**
   Scan the QR provided on the demo start page.

2. **Scan the same QR again**
   Use the browser camera or a photo of the same code.

3. **View the match**
   The result displays the matching demo label code.

For demonstration only. This sheet describes a fictional sample label.
